The Association is in a very hopeful condition at present, and with such a worthy object in view we feel confident that they must meet with all right taking citizens.

—The cry of hard times is the prevailing one in this country. The poor harvest is having its effects, and are experienced every day. There is an enormous demand for loans, extensions are asked for right along and general depression in business is looked for. The general method of relief is a loan. Fortunately the prevailing rates of interest are not heavy and money can be obtained in real estate security, but the plaster once on the farm is hard to remove.—Jeffersonian

### Special Announcement.

A large proportion of the readers of the Expositor are farmers, many of whom desire a great deal more of farming literature than we are able to give them in our limited space. To accommodate all such we have made an arrangement with the publishers of the American Farmer to club that paper with the Expositor at \$1.25 a year for both papers, only a slight advance on the price of the Expositor alone. The American Farmer is a large 16 page paper, published at Port Wayne, Ind. Every farmer in St Clair county should avail himself of this magnificent offer.

### The Life of the "Local Editor."

The scribe on a weekly paper has a hard time of it. About Monday he begins to write up his items, and he says it is dry and warm. On Thursday the paper comes out, and ten to one it is raining sideways and millponds to make it seem natural, and it is colder than Greenland's icy mountains. Or he says it is cold, and by the time the paper appears it is hotter than a brick-kiln fanned by breezes from hades. Verily, it is a hard life.—Nagasaki Iron Herald.

### DR. DEWITT C. KELLINGER'S

LINIMENT is an infallible cure for Rheumatism, Sprains, Lameness and Disease of the Scalp, and for promoting the growth of the Hair.

## DIED.

In this village on Thursday Oct. 23 1883, after a lingering illness, Henry Byron son of W. W. and Maggie Grinnell, aged 5 yrs, 7 mos 2 days.

CLARK.—In this village Friday Oct. 16th 1883, 8 Miles Clark, aged 67 yrs 2 mos. and 27 days.

Deceased was born in Batavia, N. Y., July 23rd, 1816. He was one of Michigan's pioneers, coming to this state in 1837 with his brother Joel, and sister Alzina now Mrs. Crawford, and a younger brother, who only survive of his father's family. He was married in 1848 to Miss Mary J. Robinson, and settled on a piece of land in the township of Brockway which he still owned at his death. As a neighbor he was kind and obliging; in religion he was a Methodist in sentiment, although he never united with the church. In his later years he thought, and talked much of his hope through Christ, of heaven. In his last severe sickness he manifested much patience, and gave evidence of christian hope. He had seven children all of whom survive him, together with his beloved yet bereaved wife, and a large circle of friends who mourn, yet not like those who have no hope.

### WARD OF THANKS.—Mr. and Mrs.

W. W. Grinnell desire to return their heartfelt thanks to all those kind friends who so liberally lent a helping hand during the illness and after the death of their son.

### CARD OF THANKS.—Mrs. Clark, and

family wish to express their thanks to those who rendered assistance during our father's illness and death, and especially to Mr. and Mrs. Thomas Youngs for their untiring kindness, and attention, which will never be forgotten by the bereaved family.

FRANK CLARK.

### CHEAP FARM FOR SALE.—Containing

50 acres, 30 cleared. Good frame barn 60 x 50, good frame house, good young bearing orchard, good well of water. Parties wishing such a farm this is for sale at a bargain. For further particulars call on or address Delos Zavitz, Brockway Centre, Mich.

### Did you see the puff in last week's

EXPOSITOR in favor of Brockway Centres in regard to the attendance at their fair. It said they had from 12 to 15 thousand people on the grounds in one day, when if it had divided the latter number by 20 it would then have stretched the truth, but as published it was a whooper, as any one will say who was there.—Fort Gratiot Sun. We don't set ourselves up as first class judges of a rustic crowd, but from the large number we encountered, and the enthusiastic remarks of everybody on the streets we concluded the above number would cover the subject all right.

—The races to-day were not so well attended as the Park Association could have wished on account of the disagreeable weather and the short notice given; but those who did go witnessed some fine sport. The competing horses Lady Barrett, Hotchkiss, Fillet, and Shoo fly, were in excellent trim, and would have made some very fast time had it not been for the strong head wind blowing down the home stretch. Lady Barrett carried off 1st money and Shoo fly 2nd. Shoo fly and Lady Barrett lost out on Shoo fly we are of the opinion that there was some lookyng somewhere, yet still of course it may have been perfectly square.

### Doing a Great Deal of Good.
